

CHURCH PLANTER TRAINING

A new group of 105 Church Planters across Ghana, Kenya, Nigeria and Niger have been selected through a careful process by their mother churches to begin Lead Like Jesus training.

"Before Lead Like Jesus I thought leadership was all about taking charge of my position and raising my shoulders above my followers. Now I am humbled. Before I can lead someone, I must first lead myself."

– **Dominic**, Church Planter Trainee, Ghana

"We are seeing Muslims come to Christ and people giving away their land for churches to be built. These mentored champions are impacting the entire community in which they reside, affecting local governments and schools and in some cases, Islamic schools. The potential is tremendous!"

– **Jim Montgomery**, Lead Like Jesus, Chief International Officer

Would you pray for these men and women as they begin this life-changing journey? Would you also consider supporting their journey by investing in church planter training?

For just \$112 per month, these trainees receive the necessary training materials and family support to learn to lead like Jesus. Your gifts make it possible!

FUTURE GENERATIONS FOR JESUS

Ignite student training is a six-week online leadership development course focusing on character and integrity, helping young men and women become the leaders God created them to be.

"After the training, the head of the school called me and said she had been on the verge of giving up as principal. She was already seeking a transfer because of the many challenges with the students, but after sitting through this program, God ministered to her heart. Now she has a different view of her role as a leader and she is encouraged!"

– **Mrs. Ouma**, Retired Teacher, Sunga School

"And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others."

– **2 Timothy 2:2**

WATER MISSION: REAL CULTURAL CHANGE

It's been one year since Water Mission, a safe water solutions organization based in Charleston, SC, began their journey to leading like Jesus. The transformation is undeniable. Water Mission was encouraged by Steve Rubado, Program Manager at Lifeshape and Lead Like Jesus Facilitator, to have Lead Like Jesus as their foundational core.

Deb Sprayberry, Human Resources for Water Mission, has become the in-house Lead Like Jesus champion. She's very grateful for the change she's seeing in the organization.

"We are seeing our employees really serve each other," she says.

Water Mission started with the Encounter training experience and knew that was just the beginning. To further their involvement, they created teams to dive deep into the learning to live out Lead Like Jesus principles.

Sharing more of their implementation process, Deb says, "We were intentional about establishing Lead Like Jesus teams of 7 or 8

members. The members were assigned in a mix of divisions, gender, tenure and perceived levels of engagement."

These teams meet once a month during business hours for one hour to dive into various Lead Like Jesus resources, including *Lead Like Jesus Revisited* and the accompanying six-week Study Guide. Even their international teams participate via video chat or FaceTime.

And they are seeing unprecedented results.

"Team members are sharing responsibility and picking up the slack when others are out traveling. They're writing personalized notes of encouragement, and one team prepared a surprise breakfast for the whole organization!"

"Lead Like Jesus is not an event; it's part of our culture and the interactions we have as a team."

INTERNATIONAL ENCOUNTER

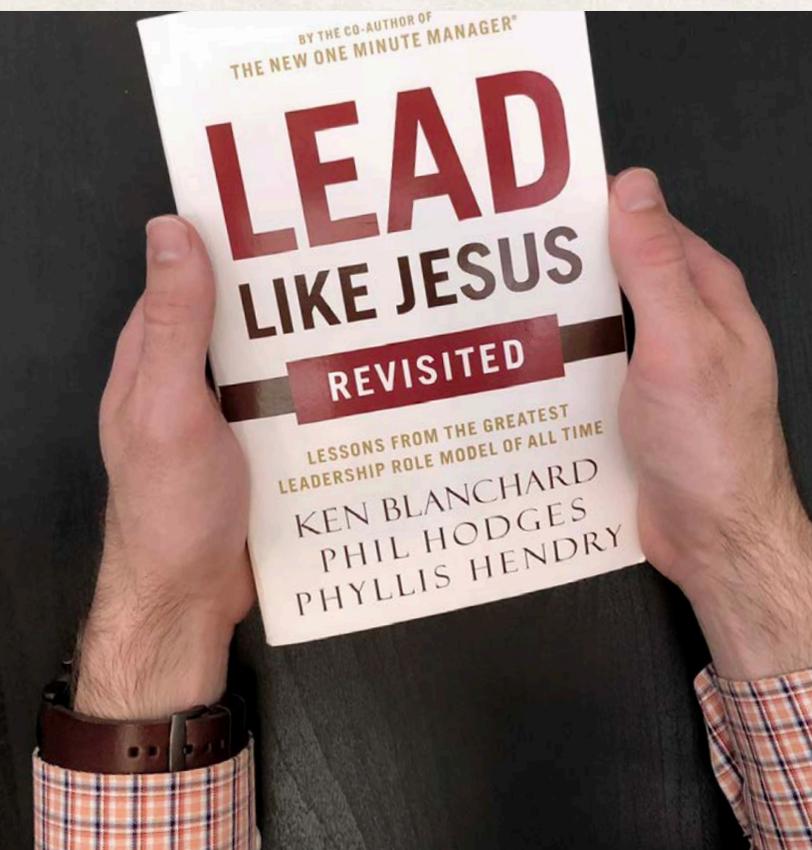

Victor Hoyos, National Representative for Lead Like Jesus, facilitated the nation's first Lead Like Jesus Encounter training at El Rio Church in Colombia in July! Here's what the participants are saying:

"The Encounter exceeded my expectations. It was a gift from God that allowed me to get to know and come closer to Jesus as the perfect leadership model."

– **Juan Camilo Ramirez**

"I had a face to face with Jesus. He opened my eyes and I understood that only through Him can I make a difference in this world. He confronted me, challenged me, and changed the way I interact with others forever. I wish that thousands of leaders can have this opportunity to understand and receive Jesus as their sole leadership model."

– **Damaris Beltran**

"I've been so encouraged, so guided, by the devotionals and newsletters. The prayer option that allows Lead Like Jesus to pray for you has meant so much to me."

– **Amad Moore**

"This book [Lead Like Jesus Revisited] has really changed my life because it caused me to reevaluate who God was. I was convicted that I was on a path of edging God out. I realized it was time to change paths."

– **Jeff Roberts**
